

A cartoon illustration of a brown owl with large white eyes and a small orange beak. The owl is perched on a stack of three colorful blocks: a red block at the bottom, a pink block in the middle, and a blue block on top. The owl is holding a green block in its beak. The entire scene is set against a plain white background.

A collection of various medieval weapons and armor pieces, including helmets, gauntlets, swords, and spears, displayed on a white background. The items are arranged in a grid-like fashion, showing different types of armor and weaponry. There are two helmets at the top left, several gauntlets, and a variety of swords and spears. Some items are red, while others are silver or black. The collection includes a long sword, a short sword, a dagger, and a spear. There are also some smaller items like a crossbow and a bow. The items are arranged in a way that shows their different shapes and sizes. The background is a plain white surface.

A photograph showing a variety of brown LEGO parts laid out on a plain white background. The pieces include several standard rectangular bricks of different sizes (some with studs on top), a long thin Technic beam, a small round pin, a curved connector, and other specialized Technic components like a T-shaped piece and a small square plate.

A collection of various white LEGO Technic parts, including beams, connectors, and a curved piece, laid out on a light surface.
